

## CAPABILITY STATEMENT

- ❖ Workforce Development
- ❖ Program Development
- ❖ Talent Development
- ❖ STEM Skills Enhancement

O-High Technologies, LLC, established in April 2013 by Dr. Subrina D. Oliver in Deer Park, NY, is a trailblazer in workforce development within the STEM (science, technology, engineering, and math) industries. With a strong emphasis on promoting economic development, O-High Technologies collaborates with government and non-government organizations to create a highly skilled and diverse workforce that drives innovation, competitiveness, and prosperity in the STEM sector.

### Our Commitment

At O-High Technologies, we are committed to creating a dynamic and inclusive STEM workforce that drives economic development and technological advancement. By collaborating with government and non-government organizations, we elevate our impact and foster a thriving STEM industry capable of shaping a brighter future for all. Join us as we pave the way for a world where a skilled and diverse workforce fuels innovation and economic prosperity in the STEM sectors.

### Our Mission

Our mission at O-High Technologies is to lead in the advancement of the STEM industries by fostering the growth and development of a talented, adaptable, and inclusive workforce. Through strategic partnerships with both public and private entities, we aim to promote economic development by empowering industry, influencers, and individuals with cutting-edge solutions needed to excel in the ever-evolving STEM landscape
